WHY HIRE ME

- I've led big teams and driven real revenue in one of the hardest, most relationship-driven industries in the world — and won the top global award for it.
- I understand your customer. For hospitality and beverage companies: I've spent my career inside the on-premise, venue, and event world those buyers live in.
- I build organizations. I don't inherit machines; I build them — hiring, cadence, process, playbooks, and culture.
- I'm commercially modern. I've built and run AI-native sales operations, so I can scale revenue the way today's growth companies need.
